*I understand and will abide by the following:*

*Vending at this event will be based on seniority. First come, first served, and first invited to participate in future events. I understand that spaces will only be reserved after my application has been returned. We will make every effort to not have like vendors side by side. I agree that the Veneta-Fern Ridge Chamber of Commerce is not responsible for any liability. I will pickup all debris, etc. and dispose of accordingly from my space at the end of the event. Spaces are final, there is no moving from one location to another. Please be respectful of your neighbor. Each vendor is responsible for their own sales transactions. You will be expected to leave your booth intact until closing time. Please help us market this event by advertising on all your social media pages.*

*This event is one of the map locations for the annual Fern Ridge Holiday Bazaar circuit. Please be sure to like their page as well as the Veneta-Fern Ridge Chamber page on Facebook.*

*Please park away from the building after unloading. The spaces up front are for customer use.*
